

Winning Strategies with Human Touch

Malaysian Industrial Development Finance Berhad (MIDF), established on 30 March 1960, has over the years developed into a diversified financial services group. Following its merger with Amanah Capital Partners in 2003, the acquisition of Utama Merchant Bank Berhad in 2004 and the establishment of its investment bank MIDF Amanah Investment Bank Berhad, the enlarged MIDF Group has evolved into a leading financial services provider, offering a range of services in Investment Banking, Development Finance and Asset Management.

If you are a top-performer, committed and seeking an exciting environment that allows your potential to be developed to the fullest, you should explore your interest with MIDF.
