

Multimedia University's Research-based Student Exchange (RBSE) Program

Objective of the program

- Increase regional & national collaboration in research between institutions;
- Increase social networking between institutions;
- To provide financial support to inbound/ outbound postgraduate to carry out their research for a maximum period of three (3) months in MMU and host university.

Criteria to apply for the Program

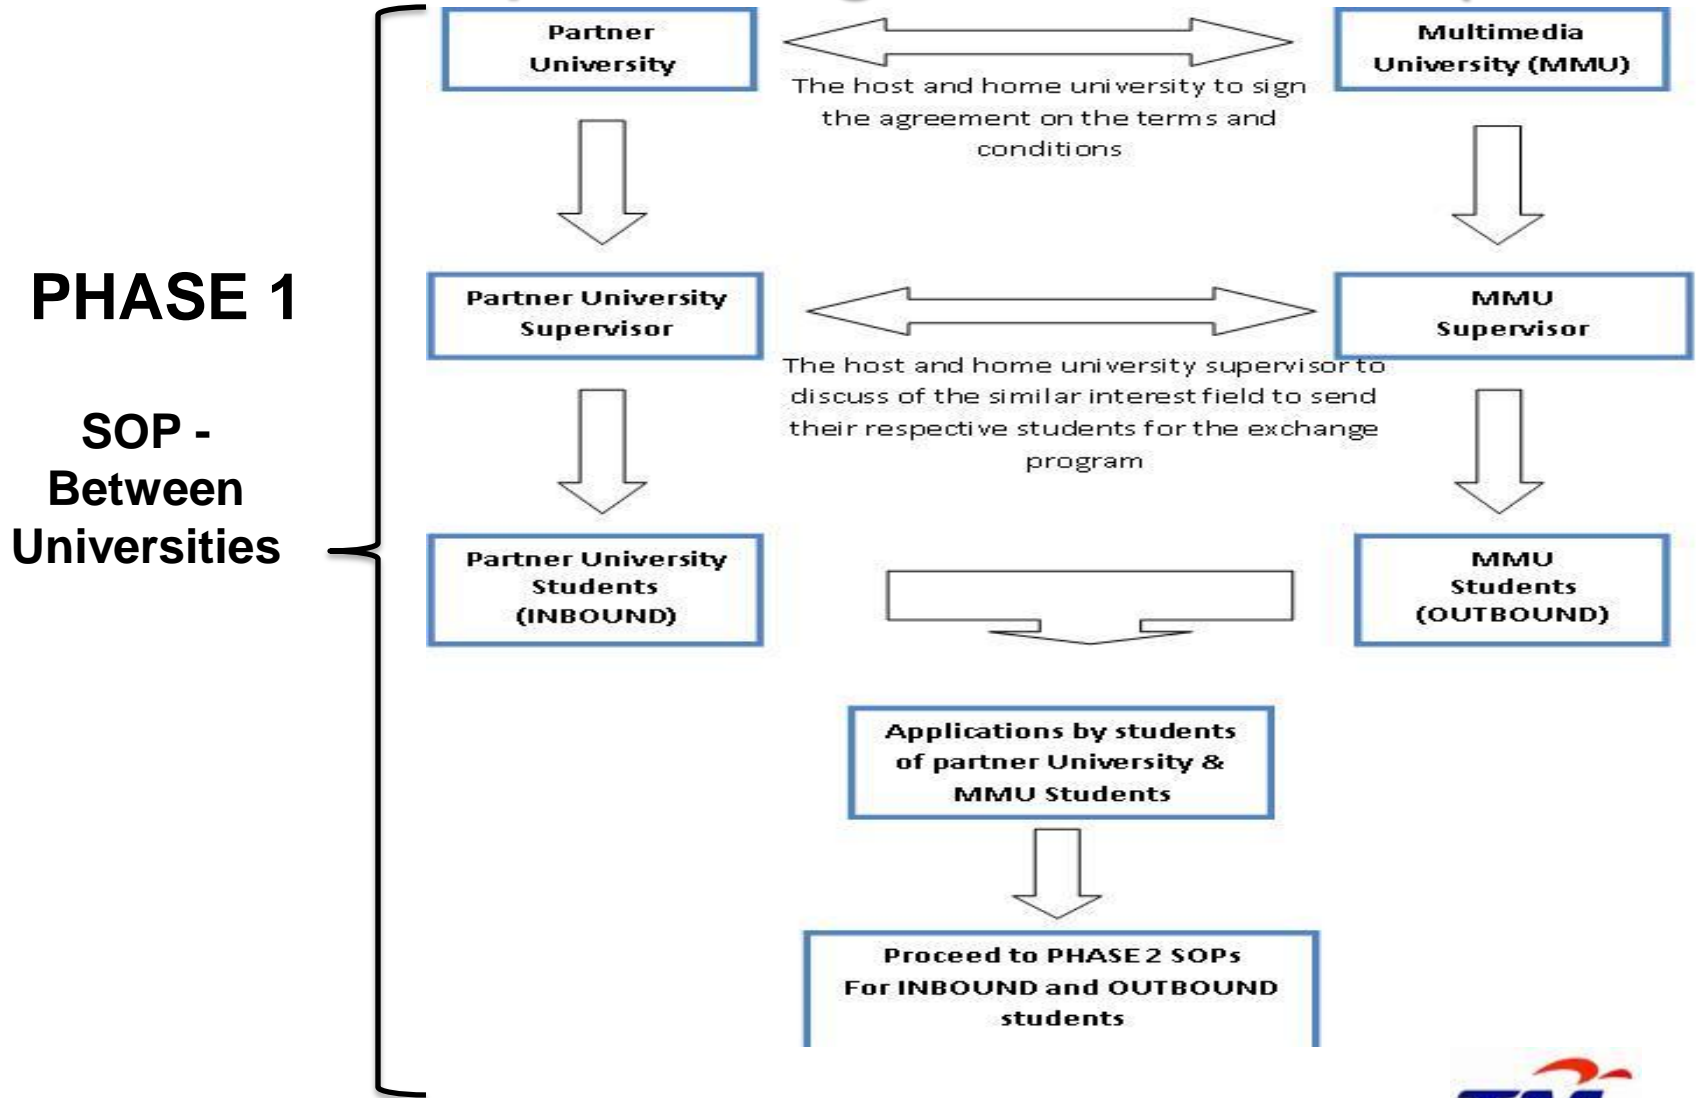

Outbound students

- The program is open to all registered postgraduate students of MMU who are non-staff members of the University;
- The postgraduate student has to be under structure A, B or C. In other words, it has to be research-based, non examination oriented and it has to be for the student's project/dissertation;
- Outbound student to Foreign Institutions will be given a stipend amount of RM 2000 for travel expenses (subject to approval by RBSE Working Committee).
- Outbound student to Domestic Institutions (outside Klang Valley) will be given some travel fund up to a maximum of RM 500, substantiated by receipts (subject to approval by RBSE Working Committee).

Inbound students

- Postgraduate students with a research-based study, non examination oriented and it has to be for the student's project/dissertation.
- Inbound student from Foreign Institutions will be given a stipend amount as following:
 - Up to RM 700 per month (subject to approval by RBSE Working Committee).
 - Accommodation provided (subject to availability of MMU Guest House)
- Inbound student from Domestic Institutions (outside Klang Valley) will be given a stipend amount as following:
 - Travel fund up to a maximum of RM500, substantiated by receipts (restricted to institutions outside Klang Valley and subject to approval by RBSE Working Committee).
