

## Call for Master Degree Research Scholar

Research Topic: Development of Omnidirectional and Multi Sensor Fiber Optic System

Project Duration : 2 years

Start Date: 1 December 2017

Monthly Stipend : RM 2,600

Study fees : Will be paid by project grant

Location: Faculty of Engineering, Multimedia University, Cyberjaya

### Minimum Requirements:

- a) Applicants must have obtained a Degree in Engineering / Science with a good results
- b) Preferable from background of material science / chemistry / optical sensor
- c) Must register Master Degree at Faculty of Engineering, Multimedia University
- d) Good knowledge in optical fiber, oil and gas exploration, and optical sensor
- e) Open to all Malaysian and non-Malaysian
- f) Willing to make some travels and outstation works
- g) Willing to join the related project meeting
- h) Committed to producing high quality research

Please email your CV to Mr Choo ([kychoo@mmu.edu.my](mailto:kychoo@mmu.edu.my)) or Sayuti Jamaudin ([sayuti.jamaudin@mmu.edu.my](mailto:sayuti.jamaudin@mmu.edu.my)) by 19<sup>th</sup> November 2017. Only those shortlisted will be called for interview.
