**Re** : MyCite Indexed Journal Papers

---

Dear Prof./ Dr./ Sir/ Madam,

We would like to draw your attention to the above matter.

MyCite (Malaysian Citation Index) is a citation system of Malaysian Journals. Publications in MyCite journals are currently included as a separate category in MyRA glossary. Points-per-paper published in MyCite is actually higher than that of Scopus/Wos in MyRA assessment criteria. Besides that, an article that is published in a Scopus/WoS journal which is also indexed in MyCite, will score two separate points, under Scopus/Wos and also under MyCite categories.

Because of that, it is very important for us to give some focus on publication in MyCite indexed journals especially those that are also indexed in Scopus/WoS. Please consider this for your future journal paper submission.

The list of MyCite indexed journals which are indexed in Scopus/WoS, can be downloaded from MyCite website [www.mycite.my](http://www.mycite.my).

Kindly strategise your publication planning and let us achieve higher MyRA ranking next year.

Yours sincerely,

**PROF. Ir. Dr. ZULFADZLI YUSOFF**
