Re : APC Sponsorship Application for F1000Research journal papers

Dear Prof. / Dr. / Sir / Madam,

We would like to draw your attention to the above matter.

In order to avoid delay in processing of page charge sponsorship applications, we would like to request all academics who are applying for the sponsorship to key in the correct amount of sponsorship according to the current Page Charge Guideline.

The maximum amount of sponsorship has been set to **RM2250** (USD500+6% currency fluctuation). Kindly please workout the amount of sponsorship you are eligible to get according to the no of collaborators that you have in your papers as follows:

Activities	Percentage of Sponsorship	Estimated Amount of Sponsorship
3 different types of collaborators (International, Industry & National)	100%	RM2250
2 different types of collaborators (International / Industry / National)	95%	RM2137.50
1 type of collaborators (International / Industry / National)	90%	RM2025
No collaborator	85%	RM1912.50

We will have to revert applications that are not using the correct amount as above and this will delay the process.

Your cooperations are much appreciated.

Yours sincerely,
